"U" TALENT AT THE PARK

Music, Mirth and Wholesome Entertainment by University People.

There are a lot of mighty good things being given at Assembly Park this week by the University of Minnesota. The people who have attended the sessions are enthusiastic over them and the attendance is growing from day to day. In an adjoining column we give the programs for the remainder of the week.

The lectures Monday by Dr. Wm. Byron Forbush were splendid. Whenever Dr. Forbush appears in the East he is greeted by large audiences and the only reason he did not have a crowded house here was because the people did not know what they were missing.

Miss Harriet Neland in her impersonation of "Polly and the Circus" delighted her audience.

Yesterday Dr. H. M. Bracken of the State Board of Health spoke on the subject of "Public Health." Prof. Frank M. Harig spoke on "Public Discussions and Democracy." Misses Grace Chubbourn, soprano and Gertrude Keever, pianist, contributed a delightful musical hour in the afternoon, and a prelude to the debate in the evening.

The debate on Woman's Suffrage last night was great. The affirmative was represented by Harry Hoshour and Donald Pomeroy and the negative by Frank Morse and Raymond Ziesemer. The boys were in the game with all enthusiasm and vim they could muster. Prof. Harig says they are so interested that they spend every day looking up new material to spring on their opponents as they go from town to town. It was a rapid-fire presentation of the arguments for and against woman's suffrage which was thoroughly enjoyed by all present. The verdict of the three judges was unanimous for the affirmative, the first time that has happened since the boys took the road. The decision was submitted to a ballot in the audience and it was sustained by a vote of 45 to 36.

A rising vote of the ladies present on their own personal convictions on the subject was called for. Many did not vote at all, but of those who arose, 21 voted in favor and four against woman's suffrage. Raymond Ziesemer, of the negative side, is a former Willmar boy and was thoroughly applauded for his spirited sallies. He is president of the leading forensic society of the University.

Members of the University alumni in the city are giving the talent each day a ride about the city.

At noon today about a hundred business men had lunch together at the Odd Fellows hall, served by the Social Union of the Presbyterian church, and listened to a talk by C. H. Preston on "The Retail Problem." His talk was one that was received with many different opinions and has provoked much discussion among those who heard it. Another luncheon will be served Friday noon when the "Commission Form of Government" will be discussed.

The Ladies' Glee Club will give a concert tonight.

A Game With All Nation.

The "All Nation" base ball team plays at Willmar with the local team tomorrow (Thursday). The game will be called at 3:30 o'clock. The grandstand at the park has been covered so that spectators are shielded from the sun. A rattling good game is expected tomorrow.

In the evening a dance will be given at the Bonde Hall, for the benefit of the local ball team. Music will be furnished by the Dode-Fiske orchestra.

A Fine Bunch of Steers.

Harry L. Hale, a farmer residing near Willmar, was in this city Monday, when he disposed of a nice bunch of fat steers to Messrs. Skoog & Anderson. In payment he received a check for sixteen hundred dollars.

Rev. E. A. Boyd of Manitowish, Wis., was here Monday and joined his family, which has remained here while enroute from Barnesville, Rev. Boyd's former charge. They left for Minneapolis yesterday to remain for the Synod meeting before going to their new home at Manitowish.

The Jewel Tea Co. won its case before the Municipal Court yesterday, being charged with peddling without a license. The testimony showed that they had solicited orders first and then delivered the goods. Sheriff Bonde is not satisfied, however, with the outcome and other cases may follow.

Frank O'Hare, an old time Willmar resident, was renewing acquaintances in town last week.

RATE CASES ARE WON.

Two Cent Fare and Lower Commodity Rates Will Be in Force Again.

The United States Supreme Court has decided by unanimous vote that the two cent fare and lower commodity rates are not confiscatory. This means that we can travel for two cents a mile after this. Everybody should take a receipt for all money paid in excess of 2 cents a mile and get a refund. Hunt up your old freight receipts. You may have something coming.

All three classes of rates are restored by the supreme court decision, as to the Great Northern and Northern Pacific roads, but not as to the Minneapolis & St. Louis.

Two-cent fare law has been voluntarily accepted by Minneapolis & St. Louis.

Other railroads, not made parties to the action are bound by the decision unless they can show the legal rates unreasonable and confiscatory as to them.

New rates expected to be established in thirty days and shippers and passengers may claim refund on all excess paid in meantime.

Passengers who have paid more than 2 cents a mile since June 1, 1911, may recover the excess, if they can prove the fact by presenting receipts.

Shippers who have paid higher than the commodity rates since June 1, 1907, or higher than the merchandise rates since June 1, 1911, may recover the difference if they can prove the fact with expense bills. Total refunds are estimated at \$3,000,000.

STRUCK BY A CAR.

Earl Omie is Hit by a Car While Sitting on Track in Railroad Yards.

Earl Omie, call boy on the Great Northern, was severely injured yesterday morning in the east-end yards. He was sitting on the rail and did not notice that a shunted car was coming down the track. He was struck and his right side was terribly bruised. He was taken to the Bethesda hospital and everything possible is being done for him and it is confidently hoped that he will recover. Earl is sixteen years of age and a son of Engineer and Mrs. Anton K. Omie.

Conway-Morgan.

A pretty wedding occurred last Wednesday, June 4, when Miss Georgia Conway, daughter of Mr. and Mrs. P. J. Conway of this city, was given in marriage to Mr. William J. Morgan. The ceremony was performed by Rev. Father Cornelius McDevitt, of St. Mary's church at the parsonage at five o'clock p. m. The bride was attired in embroidered voile and carried white Killarney buds. She was attended by her sister, Miss Blanche Conway, who was gowned in white embroidered mull. The groom was attended by Mr. Robert Conway, brother of the bride. A four-course wedding dinner was served at six o'clock at the bride's home, with covers laid for twenty. Guests from a distance were Mrs. J. J. Ryan of Goodhue county, an aunt of the bride and Mrs. William O'Neil of Kandiyohi.

Mr. and Mrs. Morgan will be at home on the farm of the groom, four miles west of Willmar, whither they will carry with them the cordial congratulations of many friends for a long life of happiness and prosperity.

Concert June 20th.

On Friday evening, June 20, at 8 o'clock the music loving public of Willmar will again have the pleasure to listen to Messrs. Kenneth Cranston and Emery Parnell, and Miss Effie McLaird in a concert and interpretive recital, given at the Presbyterian church. Messrs. Parnell and Cranston are so well known in this city and vicinity, that any comment upon their musical abilities is unnecessary. Miss McLaird, who is very well known here, has acquired a high reputation and standing of her profession as a pianist, and has been for some time past a favorite and frequent performer at public gatherings.

Salespeople Elect Officers.

The salespeople association met at the Commercial Club rooms last Wednesday evening. After the regular business session an election of officers was held. Emma T. Johnson was re-elected president; Hilma Englund, vice president; Arthur Erickson, re-elected secretary; Ed. Lundberg, re-elected treasurer. A social evening followed. Light refreshments were served at the Boston Candy Kitchen.

Miss Jessie Danzeison of Herman, returning from a visit in Morris, came to Willmar yesterday for a visit at the home of her sister, Mrs. A. F. Radue. Miss Danzeison accompanied by her mother, who has also visited here, will leave this week for a visit at Mahaska, Iowa.
